4.3.2. Student – Computer ratio (Data for the latest completed academic year)

4.3.2.1. Number of computers available for student's usage during the latest completed academic year: 35.

Highlighting the computers issued to respective departments for student's usage.

The college authority has purchased computers and laptops for the convenience of teaching-learning process in the academic life of the student's community in the institution. The present teaching-learning system is IT oriented and there it is the prior preference of the institution to add technical items in the institution. For smart learning and rapid connectivity between teachers and student community in the academic life, soft skill is an urgent need for the time. So, we provide computers and even laptop to each department for smooth functioning in academic works where paper uses are bound to less in hand.

Here is given below a list of computer and laptop provided department-wise as-
