POLICY DOCUMENT OF E-GOVERNANCE IN THE COLLEGE

In the avenue of education, e-governance has changed the style of administrative process. E-governance is designed to make the administration system user friendly, time saving and cost saving also. This is a consolidated solution to be empowered the governing body to maintain the large volumes of information like admission, registration, salary drawing, library automation, examination activities. Besides, report management, staff details, learning management system etc. are maintained in the e-governance. With such importance of e-governance, the institution is pleased to take the system under the following objectives-

- i. To reduce duplication.
- ii. Easy and speedy access to information and reports.
- iii. To reduce transaction cost, to save time and space, and man power.

To apply e-governance in practical academic life of the institution, the college Governing Body is pleased to take resolution in the meeting to prefer it, and accordingly added in the administration of the college.
